

**Welcome!**

## **Old Fathers/New Dads**

*We offer a voluntary, community based support group.*

*Our philosophy is based on strengthening and empowering men to positively impact our community. We recognize that all individuals have strengths.*

Our Founders are specifically trained to provide support and advocacy to families.

**We are here to help!**

**Your Thoughts and Opinions are Valued and Respected**

**Our founders say....**

**“It doesn’t have to be tough”**

Milton L. Williams  
Mark Coleman  
Jonathan Bush

## Mission Statement

To respectfully gather in council, with community partners to foster males into positive role models.

---

## Our Vision

To Empower, Educate, & Support Male Parenting

---

## Our Statement of Core Values

Our sole reason for being is the fulfillment of our Mission and the attainment of our Vision.

We believe that:

- Society
    - is strengthened by ensuring that men attain their full potential;
    - benefits from the affirmation and celebration of men as strong leaders;
  - Positive Males
    - are the foundation of a strong community and are essential to a healthy society;
    - have the right to raise children in a safe and nurturing environment;
  - Every Man
    - Has inherent worth and dignity;
    - Can be a leader
    - Has the ability to make positive changes in his community
    - Can help navigate complex systems like juvenile justice, child welfare, mental health and education.
- 

# LEADERS
